

Dear Colleagues!

We invite you to take part in the VII International Scientific and Practical Online Seminar (Webinar) “Theoretical and Practical Prerequisites for the Training of Multilingual Specialists in HEIs” education providing secondary education.

During the online seminar (webinar), issues of linguistics, teaching foreign literature, and teaching Russian as a foreign language are considered.

The online seminar (webinar) will take place on April 14, 2021, at 14.40 (local time).

For discussion, we offer the following questions and problems:

1. The use of innovative technologies in teaching foreign languages.
2. Teaching a second / third foreign language at school and HEI.
3. Germanic, Romance, Slavic languages in statics and dynamics.
4. Teaching the literature of the country of the target language as an integral part of the training of specialists in the field of a foreign language.
5. Teaching Russian as a foreign language.
6. Teaching a foreign language as a general educational discipline in HEI.

Working languages of the online seminar (webinar): Russian, Belarusian, English, German, French.
