

Dear Colleagues!

We invite you to take part in the International Scientific Conference “KULESHOV READINGS”, which will be held on April 20 - 29, 2021 at the educational institution "Mogilev State A. Kuleshov University".

The texts of the reports of the participants of the Internet conference, with their consent, will be posted on the website of Mogilev State A. Kuleshov University in the public domain from 20 to 29 April 2021, access mode: <https://iff.msu.by/index.php/home/nauchnaya-rabota/nauchnye-meropriyatiya/konferentsii/mezhdunarodnaya-nauchno-prakticheskaya-konferentsiya-kuleshovskie-chteniya>

The problem field of the conference:

1. The literary heritage of Arkady Kuleshov in modern understanding: historical and literary, linguistic and linguistic cultural aspects.
2. Problems of historical and theoretical poetics.
3. Classics and modernity: traditions, reception and intertextuality.
4. World fiction and topical problems of literary criticism.
5. Language and style of fiction (to the 80th anniversary of the birth of Professor NV Ababurko).
6. Actual problems of journalism: content, ways to solve them.
7. Actual problems of linguistics: content, ways to solve them.
8. Actual problems of historiography, history of Belarus and world history.
9. Topical issues of teaching methods of humanitarian disciplines. Innovative technologies in teaching the humanities in higher and secondary schools.

Working languages of the conference: Belarusian, Russian, Ukrainian, Polish.

Within the framework of the conference, it is planned to hold a plenary session on the ZOOM platform.

Time limit: plenary lecture - up to 20 minutes.

The procedure for submitting materials

To participate in the conference, please send the following materials to the organizing committee by E-mail bel_lit@msu.by by April 01, 2021:

1. application for participation in the conference (the form is attached);
2. electronic version of the report materials

File names should contain the name of the first author and the type of material: for example, Novikov_application, Novikov_article.

Based on the results of the Internet conference, it is planned to publish a collection of scientific articles.

The editorial committee reserves the right to select materials for printing, as well as edit them.

Materials that do not correspond to the topic of the conference or are not designed in accordance with the requirements will not be considered.

All materials will be checked for borrowing.

Authors of reports that have received a positive review will receive a confirmation of acceptance for publication by e-mail.

Educational establishment “Mogilev State A. Kuleshov University” reserves the right to translate materials into electronic form with their placement in the electronic archive of the library of the educational institution “Mogilev State A. Kuleshov University” and in the Russian Science Citation Index on the elibrary.ru platform in the public domain.

Financial conditions

The amount of the organizational fee for the publication of a collection of scientific articles and the procedure for concluding an agreement will be indicated in personal invitations.

Notifications about the inclusion of reports in the program of the Internet conference and their posting on the website of Mogilev State A. Kuleshov University will be sent to the participants in electronic form until April 15, 2021.

The conclusion of an agreement is a prerequisite for the inclusion of materials in the conference collection.

The organizational fee of the conference participants includes the costs of publishing a collection of scientific articles and placing it in the scientometric base of the RSCI (Russian Science Citation Index).

The author is considered a participant in the conference, subject to the timely payment of the organizational fee, the conclusion of an agreement and the provision of scientific report materials. In case of refusal to conclude an agreement, the article cannot be published, the registration fee is not refundable.
