**«OPTICS OF NONUNIFORM
STRUCTURES – 2019»
International Scientific Conference**

May 28-29, 2019

Dear Colleagues,

We should like to invite you to participate in the International Scientific Conference **«OPTICS OF NONUNIFORM STRUCTURES – 2019»** which will take place on **May 28-29, 2019** in the Educational Institution "A. Kuleshov Mogilev State University"

The Conference will focus on the following subjects:

1. Optics of waveguides, thin film structures and surface
2. Nonlinear optical structures and devices
3. Optical research methods for media and materials
4. Topical problems of natural science education

Conference languages: Belarusian, Russian, and English.

Within the framework of the conference it is planned to hold a plenary session, the work of sections according to the problem fields. **Regulations:** plenary report — up to 20 minutes, sectional report — up to 10 minutes.

Call for Papers

Participants are requested to submit the Application Form (attached), an electronic version of your report, a hard copy of the report signed by the author(s) and an expert summary about possibility of publication in open press to the Organizing Committee before May 10, 2019.

The Conference proceedings are planned to be published after the Conference. The Editorial Council reserves the right to select the papers.

A. Kuleshov Mogilev State University reserves the right to convert the papers into electronic form with their placement in an electronic archive of the University Library and in the Russian Science Citation Index on the eLIBRARY.ru platform in the public domain.

Travel and other expenses of participants of the Conference are to be funded by sending organizations.

The publication fee and contract conclusion procedures will be specified in the Invitation

Invitations and contracts will be sent to participants before **May 20, 2019**.

Submission Guidelines

The paper should contain **up to six complete A4 pages** (Microsoft Word 6.0 and above) of single-spaced text (Times New Roman 14). All margins should be 25 mm. The first left-aligned line should contain UDC. The second right-aligned line should contain initials and surname(s) of the author(s), city and be followed by a blank line. The fourth centered line should contain the paper's title (in capital letters) and be followed by the blank line, too.

The text of the paper with 1.25-sm indentions should be separated from keywords by the blank line. Reference numbers in the text should be in square brackets. A list of references in accordance with **GOST 7.1** should follow the basic text. (See an example below).

Every participant of the Conference can be the author or co-author of no more than two reports. Reports which do not comply with the above-mentioned requirements will not be considered.
