<p style="text-align: center;">Summary of the content of the academic discipline:</p> <p>The academic discipline “Syntax (complex sentence)” is one of the main linguistic disciplines in the system. The purpose of studying is to form a systematic and consistent theoretical understanding of the syntactic units of the language, as well as to consolidate in practice the ability to assess their functioning in speech. The main content of the discipline “Syntax (complex sentence)” is the theoretical and practical consideration of the essential characteristics of syntactic units (complex sentence, compound sentence, complex sentence without conjunctions, complex syntactic structure) of the modern Russian literary language.</p>
