Brief content of the academic discipline:	
<p>The structure of the academic course "Foreign language" includes two consecutive modules. The first is the module of social communication, which allows to deepen and systematize the grammatical, lexical, and communicative skills of students, to communicate communicative models corresponding to various everyday situations. The second part of the training course - the module of professional communication - examines professional communicative situations, professional and specialized vocabulary, as well as the specifics of its application, provides the necessary skills for referencing thematic texts.</p>
