Summary of the content of the academic discipline:

The need to introduce this course is determined both by the task of forming a high speech culture of a future lawyer and by legislation in the field of organization of the judicial process. The Constitution of the Republic of Belarus has enshrined the equality of all before the law and the court, the "presumption of innocence", the right of everyone to protection, the administration of justice on the basis of competition and equality of the parties in the process. The purpose of studying the discipline "Culture of judicial speech" is the formation of a high speech culture of a future lawyer as a necessary professional skill, the assimilation by students of the theoretical foundations of judicial speech.
