<p style="text-align: center;"><b>Summary of the academic discipline:</b></p> <p>Housing law is an academic discipline, the subject of which is a set of legal norms and generally accepted theoretical concepts in the sphere of housing legal relations. When studying housing law, the academic syllabus includes not only the institutions of this branch of law, but also scientific views, theories of scientists and researchers, as well as law enforcement mechanisms and judicial practice. An important aspect of this academic discipline is that it examines housing legal acts in conjunction with other branches of law, defining the knowledge and skills of the professional activity of a lawyer.</p>
